

STATE OF VERMONT
PUBLIC SERVICE BOARD

Docket No. 7124

Joint Petition of American Long Lines, Inc. and)
PAETEC Communications, Inc., for Approval)
of a Merger)

Order entered: 12/14/2005

I. INTRODUCTION

On November 3, 2005, American Long Lines, Inc. ("ALL"), and PAETEC Communications, Inc. ("PAETEC") (collectively "Petitioners"), jointly filed a Telecommunications Merger and/or Acquisition Request for Approval Form ("Petition") requesting authority from the Vermont Public Service Board ("Board"), pursuant to 30 V.S.A. §§ 109 and 311, for the merger of ALL with and into PAETEC.

On December 5, 2005, the Vermont Department of Public Service ("Department") filed a letter with the Board recommending the Board approve the transaction because it would not detrimentally impact Vermont consumers or cause them inconvenience or confusion. The Department further recommended the Board approve the Petition without further investigation or hearing.

The Board has reviewed the Petition and the accompanying documents and agrees that approval should be granted without hearing.

II. FINDINGS OF FACT

Based upon the Petition and accompanying documents, we hereby make the following findings of fact.

1. ALL is authorized to provide telecommunications services in Vermont pursuant to a Certificate of Public Good (CPG No. 320) granted by the Board on July 1, 1997. Petition at 1.
2. PAETEC is authorized to provide telecommunications services in Vermont pursuant to a Certificate of Public Good (CPG No. 434) granted by the Board on November 5, 1998. Petition at 1.

3. PAETEC and ALL are subsidiaries of PAETEC Corp. Petition at 1-2.
4. Pursuant to a corporate reorganization, ALL will merge with and into PAETEC, with PAETEC as the surviving entity. Petition at 1-2.
5. Following the merger, ALL's customers will be served by PAETEC. No changes to the rates and services offered to ALL's customers are contemplated. Accordingly, the transactions will not cause any inconvenience for Vermont consumers. Petition at 2-3.
6. ALL plans to cease doing business in Vermont following completion of the merger transaction. Petition at 1-2.
7. The proposed transaction will allow PAETEC to realize significant economic and marketing efficiencies which should allow the company the opportunity to strengthen its position in the Vermont telecommunications marketplace, thereby, strengthening competition for telecommunications services and promoting the public interest. Petition at 3-4.

III. DISCUSSION

The proposed transaction requires approval by the Board under 30 V.S.A. §§ 109 and 311. The statutes condition approval of a merger upon a finding that the merger or sale of assets will promote the public good (30 V.S.A. § 109) and will not obstruct or prevent competition (30 V.S.A. § 311). These standards are met in this case.

Pursuant to 30 V.S.A. § 109, "a foreign corporation subject to the jurisdiction of the [Board], shall not make a sale . . . in any one calendar year constituting ten percent or more of the company's property located within this state . . . nor merge nor consolidate . . ." without approval of the Board. 30 V.S.A. § 311 states that "[a] consolidation or merger . . . shall not become effective without the approval of the [Board] . . ." In order to approve the sale of assets, the Board must first find that it will "promote the general good of the state." 30 V.S.A. § 109.

After reviewing the Petition, we conclude that 30 V.S.A. §§ 109 and 311 apply to the merger of ALL into PAETEC, which are both certificated telecommunications carriers in Vermont. We further conclude that the merger will not cause undue inconvenience for Vermont customers and allow ALL's customers to continue uninterrupted service if they so choose. The merger, therefore, will promote the public good. For all of these reasons, we conclude that the proposed transaction meets the standards set forth in 30 V.S.A. §§ 109 and 311 and should be approved.

IV. CONCLUSIONS

The merger of ALL with and into PAETEC should be approved because the transaction will promote the public good of the State of Vermont and will not result in obstructing or preventing competition. 30 V.S.A. §§ 109, 311.

V. ORDER

IT IS HEREBY ORDERED, ADJUDGED AND DECREED by the Public Service Board of the State of Vermont that:

1. The merger of American Long Lines, Inc. with and into PAETEC Communications, Inc., will promote the public good and, therefore, is approved.
2. Petitioners shall file a letter notifying the Board of the completion of the transaction within one week of such completion.
3. PAETEC Communications, Inc., shall file a proposed tariff incorporating American Long Lines, Inc.'s intrastate services within 30 days of this Order.
4. A Certificate of Consent to the merger of American Long Lines, Inc. with and into PAETEC Communications, Inc., shall be issued.
5. American Long Lines, Inc. should file a petition with the Board formally requesting revocation of its CPG following completion of the merger transaction.

Dated at Montpelier, Vermont, this 14th day of December, 2005.
