IT IS HEREBY CERTIFIED that the Public Service Board of the State of Vermont ("Board") on this day finds and adjudges that the issuance of a certificate of public good ("CPG") to Vermont Transco, LLC ("Transco"), and the provision of telecommunications services by Transco, will promote the general good of the State of Vermont, subject to the following conditions:

2. Transco shall terminate all telecommunications traffic routed to its customers by any telecommunications carrier with which Transco interconnects.

5. This CPG may not be transferred to any other party without prior approval by the Board.
6. Transco is conducting business in the State of Vermont under the name Vermont Transco, LLC, and has filed appropriate documents with the Secretary of State. If Transco intends to do business in the State of Vermont under a name other than the name in use on the date of this Order, it shall file a notice of the new trade name with the Clerk of the Board and the

Vermont Department of Public Service at least 15 days prior to commencing business under the new trade name.¹

7. If Transco at any time in the future proposes to offer operator services, it shall be required to comply with Board Rule 7.609(G).

8. If Transco at any time in the future proposes to offer prepaid calling card services, it shall post a bond, payable to the Board, in an amount equivalent to its projected intrastate revenues from its prepaid calling card service for the first twelve (12) months of operation.

9. Transco shall be subject to any rules lawfully adopted or to be adopted by the Board, and its CPG hereby incorporates those rules by reference. Transco CPG shall be subject to revocation upon good cause, including a substantial or continuous failure to abide by its material terms.
