CERTIFICATE OF PUBLIC GOOD
ISSUED PURSUANT TO 30 V.S.A. § 248

IT IS HEREBY CERTIFIED that the Public Service Board of the State of Vermont this day found and adjudged that the proposed connection of a 34.5 kV line owned by the Village of Morrisville Water & Light Department to the Village of Johnson Water and Light Department's substation located in Johnson, Vermont, in accordance with the evidence and plans submitted in this proceeding, will promote the general good of the State, subject to the following conditions:

1. The proposed modifications shall be in accordance with the plans and evidence submitted in this proceeding. Any material deviation from these plans must be approved by the Board.
2. The proposed project shall be designed and constructed in accordance with the National Electric Safety Code requirements.
3. A switching plan for the proposed project shall be developed, identifying the switching procedures and coordination among the three electrical systems of the Village of Johnson Water and Light Department, Village of Morrisville Water & Light Department, and Central Vermont Public Service Corporation. A letter shall be filed with the Board within 60 days of the issuance of this Certificate certifying that the switching plan has been developed.
4. This Certificate of Public Good shall not be transferred without prior approval of the Board.

Dated at Montpelier, Vermont, this 10th day of December, 2009.
