

STATE OF VERMONT  
PUBLIC SERVICE BOARD

Docket No. 7614

Petition of Brattleboro Carbon Harvest, LLC for a )  
Certificate of Public Good, pursuant to 30 V.S.A. )  
§ 248(j), authorizing the construction and operation )  
of a landfill gas-to-energy facility in Brattleboro, )  
Vermont )

Entered: 7/13/2010

**CERTIFICATE OF PUBLIC GOOD ISSUED**  
**PURSUANT TO 30 V.S.A. SECTION 248**

IT IS HEREBY CERTIFIED that the Public Service Board ("Board") of the State of Vermont this day found and adjudged that the proposed installation and operation of a landfill gas-to-energy facility in Brattleboro, Vermont, by Brattleboro Carbon Harvest, LLC, in accordance with the evidence and representations submitted in this proceeding, will promote the general good of the State, subject to the following conditions:

1. Construction, operation, and maintenance of the project shall be in accordance with the plans and evidence submitted in this proceeding. Any material deviation from these plans must be approved by the Board.
2. The proposed project is hereby certified as a Sustainably Priced Energy Enterprise Development (SPEED) project.
3. Brattleboro Carbon Harvest shall comply with any applicable requirements regarding the disclosure of renewable attributes that are established in other proceedings, including Docket 7533, and Board Rules.
4. Brattleboro Carbon Harvest shall implement the system protection and control strategies recommended by the System Impact Study for the proposed project.
5. Brattleboro Carbon Harvest shall file with the Board and the Department of Public Service, prior to commissioning the proposed generators, a copy of the signed interconnection agreement between Central Vermont Public Service Corporation and Brattleboro Carbon Harvest.
6. Brattleboro Carbon Harvest shall pay the entire cost of the distribution system upgrades.

7. Brattleboro Carbon Harvest shall comply with the conditions of the air permit issued by the Air Pollution Control Division of the Agency of Natural Resources for the operation of the proposed 250 kW engine-generator. Prior to the installation and operation of the proposed 310 kW engine-generator, Brattleboro Carbon Harvest shall obtain any necessary authorization from the Air Pollution Control Division.

8. Prior to proceeding with construction, Brattleboro Carbon Harvest shall obtain all necessary permits and approvals. Construction, operation, and maintenance of the proposed project shall be in accordance with such permits and approvals, and with all other applicable regulations, including those of the Agency of Natural Resources.

9. This Certificate of Public Good shall not be transferred without prior approval of the Board.

DATED at Montpelier, Vermont, this 13th day of July, 2010.
