

STATE OF VERMONT  
PUBLIC SERVICE BOARD

Docket No. 6217

Investigation into Vermont Electric )  
Cooperative, Inc.'s Integrated Resource Plan )  
filed on January 8, 1999 )

**PREHEARING CONFERENCE MEMORANDUM**

A prehearing conference was held in this docket on April 29, 1999. Appearances were entered by Michael Burak, Esq., of Burak Anderson & Melloni for Vermont Electric Cooperative, Inc. ("VEC"), and Geoffrey Commons, Esq., for the Vermont Department of Public Service ("DPS"). At the prehearing conference, the parties requested time for informal discussions to try to resolve the DPS's concerns regarding the content of VEC's Integrated Resource Plan. Accordingly, on or before May 28, 1999, the parties shall file jointly or separately a written status report on these discussions. Included in the status report should be: (1) an identification of the issues still in dispute; (2) an identification of the issues that have been resolved, along with a brief description of their resolution; (3) a statement clarifying how the Board's Docket 5980 (Investigation into the DPS's proposed Energy Efficiency Plan) will affect the issues under consideration in this docket; and (4) a proposed schedule for the next steps in this docket.

SO ORDERED.

DATED at Montpelier, Vermont this 30th day of April, 1999.
