PREHEARING CONFERENCE MEMORANDUM

BACKGROUND

On June 7, 1999, I convened a prehearing conference in this proceeding. Appearances were entered by: Sheldon Katz, Esq., for the Vermont Department of Public Service ("Department"); and Dana Frix, Esq., Kim Scovill, and George Huber for Choice One Communications of Vermont, Inc. ("COCVT").

SCHEDULE

None of the prehearing conference participants sought evidentiary hearings on COCVT's request for a certificate of public good ("CPG"). Instead, the petitioner and the Department will attempt to resolve this proceeding through negotiations, with the expectation that the Department's concerns can be addressed through conditions placed upon the CPG.¹ To this end, petitioner and the Department will attempt to submit a draft Proposal for Decision. A copy of the draft Proposal for Decision should also be provided to the eight

independent Vermont telephone companies (the "Independents");² and New England Telephone and Telegraph Company d/b/a Bell Atlantic-Vermont ("BAVT").³

Because of the parties' current plan, I will not set a schedule at this time. If the parties cannot reach agreement through negotiation, they will inform me and I will convene a status conference to schedule further proceedings.

SO ORDERED.
