Department's tariff filing requesting a 15.92% )  
rate increase, to take effect January 1, 2000 )

Order entered: 2/10/2000

**PREHEARING CONFERENCE MEMORANDUM**

**BACKGROUND**

I convened a prehearing conference in this matter on January 14, 2000, at the Public Service Board hearing room, in Montpelier, Vermont. Barton Village, Inc. Electric Department ("Barton") was represented by William B. Piper, Esq., of Primmer & Piper, P.C. Leslie A. Cadwell, Esq., appeared on behalf of the Vermont Department of Public Service ("Department"). No other group or organization attended the prehearing conference.

**APPEARANCES**

Mr. Piper has entered a notice of appearance on behalf of Barton. Ms. Cadwell has entered a notice of appearance on behalf of the Department.

**SCHEDULING**

A schedule for resolution of this investigation was proposed by Barton and the Department. By this memorandum, I adopt that proposal, which is as follows:

3/2000	Public Hearing
3/10/00	File a report to establish a schedule for evidentiary hearings or a hearing on the stipulation to all matters, except the cost of Hydro-Quebec power.

The schedule proposed did not include a deadline for requests for intervention. With the provision that any intervenor must take the proceeding as they find it, a later deadline for intervention requests is workable and should not unreasonably disadvantage or burden the petitioner. March 1, 2000, is established as the deadline to file requests for intervention. Parties shall have until March 10, 2000, to respond to any such requests. All such requests and responses must be served on all parties.

SO ORDERED.

DATED at Montpelier, Vermont, this 10<sup>th</sup> day of February, 2000.
