PUBLIC SERVICE BOARD

Docket No. 6329

Petition of Bolton Valley Water and Sewer)
Company for a certificate of public good to own)
and operate a water system and for the)
establishment of rates for said system)

PREHEARING CONFERENCE MEMORANDUM

I convened a prehearing conference in this Docket on February 1, 2000. Aaron Adler, Esq., represented the Vermont Department of Public Service ("Department"). Joseph P. Bauer, Esq., appeared on behalf of Bolton Valley Water and Sewer Company ("Bolton").

The Department and Bolton indicated their interest in proceeding informally for the next month, and proposed that Mr. Adler and Department Utilities Analyst Susan Martin negotiate with Bolton and conduct informal discovery until the end of February.

I proposed convening a telephonic conference on March 1, 2000, at 9:30 a.m., at which Bolton and the DPS would provide me with an update of their progress negotiating a settlement to this case and their recommendations regarding how the investigation ought to proceed. Bolton and the Department agree to this proposal.

SO ORDERED.

DATED at Montpelier, Vermont, this 2nd day of February, 2000.
