re: Public Service Board Workshop on Confidentiality Considerations
Related to Power Purchase Agreements

Dear Mrs. Hudson:

Vermont Public Power Supply Authority (“VPPSA”) and its municipal electric utility member systems* support the comments of Burlington Electric Department (“BED”) filed this date. Like BED, VPPSA and its member systems operate as public bodies, and within Vermont’s statutory framework that encourages and promotes transparency. The analysis offered by BED is consistent with ours, and with the Joint Utility Recommendation filed earlier in this matter.

Thank you for this opportunity to comment.
